**NO SHOW/SAME DAY CANCELLATION POLICY**

Due to high patient demand, we have a No Call/No Show fee that requires cancellation with at least 24-hour notice. **We understand that an emergency can happen and if you are able to call and cancel the same day we will consider you a SAME DAY CANCELLATION and you will NOT incur a charge.** If three (3) same day cancellations are accumulated, you may be dismissed from the practice.

Patients who do not show up for their appointment without a call to cancel will be considered a **NO CALL/NO SHOW & will incur a \$25 fee to be paid by the patient & will not be billed to your insurance company.** Patients who **NO CALL/NO SHOW three (3) or more times MAY be dismissed from the practice.**

Our practice firmly believes that a good physician/patient relationship is based upon understanding and good communication. Questions about cancellation and no show fees should be directed to the Practice Manager.

We appreciate your understanding in this matter.
